STATEMENT REGARDING INTERPRETATION

DOCUMENT TYPE : POLICY	REF. CODE: BRD-GEN-004	ISSUE NO: 001	ISSUE DATE: 06 July 2010
---------------------------	---------------------------	------------------	-----------------------------

ENFSI wishes to promote consistent and reliable scientific information through the whole forensic process from the scene of crime to court. It recognizes that it is of vital importance to interpret potential forensic evidence in the context of a case, using all available information; reporting results of analysis alone may be misleading.

The ENFSI Board plans to undertake actions to agree a standard for the interpretation of forensic evidence and to provide the necessary support for implementing this standard within the membership.
