## 15<sup>th</sup> ENFHEX Conference

### *Human Factors in Handwriting Examination: addressing, understanding and managing*

17<sup>th</sup> – 20<sup>th</sup> June 2024  
Stockholm, Sweden

The European Network of Forensic Handwriting Experts (ENFHEX) Steering Committee and the Swedish National Forensic Centre (NFC) welcome your participation at the 15<sup>th</sup> ENFHEX Conference in Stockholm, Sweden

## CONFERENCE VENUE

The Conference will be held at the Långholmen Hotel, Långholmsmuren 20, Stockholm, Sweden ([LINK](#)).

The Långholmen Hotel is located on an island near the centre of Stockholm and is easily accessible by public transportation. It also features a parking lot. The hotel was arranged in the premises of a former prison built between 1874 and 1880 and closed between 1972 and 1975, and the decoration of the facility refers to its history.

The main conference room in the Långholmen Hotel was used for district court sessions. Its capacity is limited to approximately 60 seats. If the number of the Conference participants exceeds this threshold, additional room(s) with a live online connection to the main room will be provided. Each of the additional rooms will also house one of the meeting organisers to assist attendees as needed. All the participants will be reunited during coffee breaks, meals, and social events.
